

Are You

Prepared?

If you live in a hurricane evacuation zone and you will need assistance to get out before the storm, **dial 2-1-1** to register in advance for a ride.

Remember to bring the following:

- ✓ **Medical equipment and assistive devices** (glasses, hearing aid, catheters, augmentative communication devices, cane, wheelchair, scooter, walker, dressing aids, oxygen, tubing, feeding supplies, drinking straws, etc.) Label each with your name and contact information. Be sure to have extra batteries and chargers.
- ✓ **List of model numbers or serial numbers** of medical devices and equipment.
- ✓ **Medical alert tags or bracelets** and written description of your disability-related or health care conditions.
- ✓ **Medications** and **copies of all prescriptions**, including a **list** of the **prescription** name, **dosage**, **frequency**, **doctor** and **pharmacist**. Also consider if medications need to be refrigerated and if so, bring a cooler with an ice pack or other coolant system.
- ✓ **Hygiene supplies** including absorbent pads and urinal as needed and personal grooming items such as toothbrush, toothpaste, deodorant, soap, towel, washcloth, comb, brush.
- ✓ **Phone numbers** and names of your **physicians** or other **health care providers**, **health insurance information**, **emergency contact** information including your support network members.
- ✓ **Supplies for a service animal** including food, identification tags, proof of up-to-date vaccinations and veterinarian contact.
